/Andrew D Kosar/
Primary Examiner, Art Unit 1654

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Discussed amendments that would place the claims in condition for allowance. As amended, the claims would require at least one targeted and one untargeted amine. Such requirements are not taught/suggested in the art, and thus would form the basis for distinguishing over the prior art. Applicant's representative agreed to the amendments..
